In re Application of

Application No. 08/957,431
Filed: October 24, 1997
Attorney Docket No. 378111
For: LAMINATED FABRIC

DECISION REFUSING
STATUS UNDER
37 CFR 1.47(a)

This is a decision on the petition under 37 CFR 1.47(a), filed October 8, 1999.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. Any response should be entitled "Request for Reconsideration of Petition Under 37 CFR 1.47(a)" and may include an oath or declaration executed by the inventor. Failure to respond will result in abandonment of the application.

The above-identified application was filed on October 24, 1997 without an executed oath or declaration. Accordingly, on August 24, 1999, a "Notice to File Missing Parts of Application" was mailed, requiring an executed oath or declaration, filing fees, and a surcharge for their late filing.

In response, on October 8, 1999, a declaration executed by joint inventors John E. Holland and Connie Holland, the surcharge, a power of attorney by the assignee, a statement claiming small entity status, the application filing fee, the petition fee, and the instant petition were filed. A declaration of facts by Clinton H. Hallman, Jr., an attorney of record, and a declaration of facts by John E. Holland accompany the petition. Mr. Holland sets forth the last known address of the non-signing inventor, Mr. David V. Cunningham, and explains that Mr. Cunningham received the declaration that was mailed to him and orally refused to sign it.

(Only)
A grantable petition under 37 CFR 1.47(a) requires

- (1) a petition including proof of the pertinent facts establishing that the joint inventor(s) refuses to join, or cannot be found or reached after diligent effort,
- (2) a proper oath or Declaration executed by the available joint inventor(s),
- (3) the fee of \$130 as specified in 37 CFR § 1.17(h), and
- (4) the last known address of the omitted inventor(s).

This petition lacks items (1) and (2) above.

As to item (1), Applicant has failed to establish that the inventor has refused to sign the declaration. The proof of the pertinent events should be made by a statement of someone with first hand knowledge of the events. The Office requires that a the non-signing inventor be provided with a complete copy of the application as filed. This includes the specification with claims, drawings, if any, and a declaration. See MPEP 409.03(d). Mr. Holland's and Mr. Hallman's statements reveal that Mr. Cunningham was only mailed a declaration.

As to item (2), an oath or declaration for the patent application in compliance with 37 CFR 1.63 and 1.64 still has not been presented. Mr. Holland signed the declaration on Mr. Cunningham's behalf. However, there are three joint inventors. All the signing inventors must sign the declaration on behalf of themselves and on behalf of the non-signing inventor. Ms. Connie Holland must sign the declaration, also. An oath or declaration in compliance with 37 CFR 1.63 and 1.64 signed by the Rule 1.47 applicant on behalf of Mr. Cunningham is REQUIRED. See MPEP 409.03(b).

DL The Power of Attorney and Statement Claiming Small Entity Status, both filed on October 8, 1999 by the assignee of record who has shown 37 CFR 3.73(b) authority, have been accepted and made of record.

ON PETITION

This is a response to your communication filed February 8, 1999 which is being treated as a petition to consider the reply to Notice of February 20, 1998 as being timely filed.

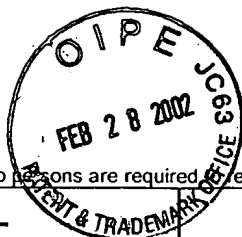

The petition is granted.

This application was abandoned for failure to timely respond to the Office action mailed May 11, 1998. The evidence presented shows that the delay in filing the response to the Notice to File Missing Parts Letter, was due to non-receipt of Office action by applicant's representative. In support of this contention, the petitioner provided the office with copies of the docketing system used for incoming correspondence from the Patent and Trademark Office on which this Office action should have been posted had it been received.

The Notice of File Missing Parts of Application filing date granted letter will be resent to the above mentioned address. You will have two months from the date on the letter to respond to the notice.
